

How to Apply to Take the Exam

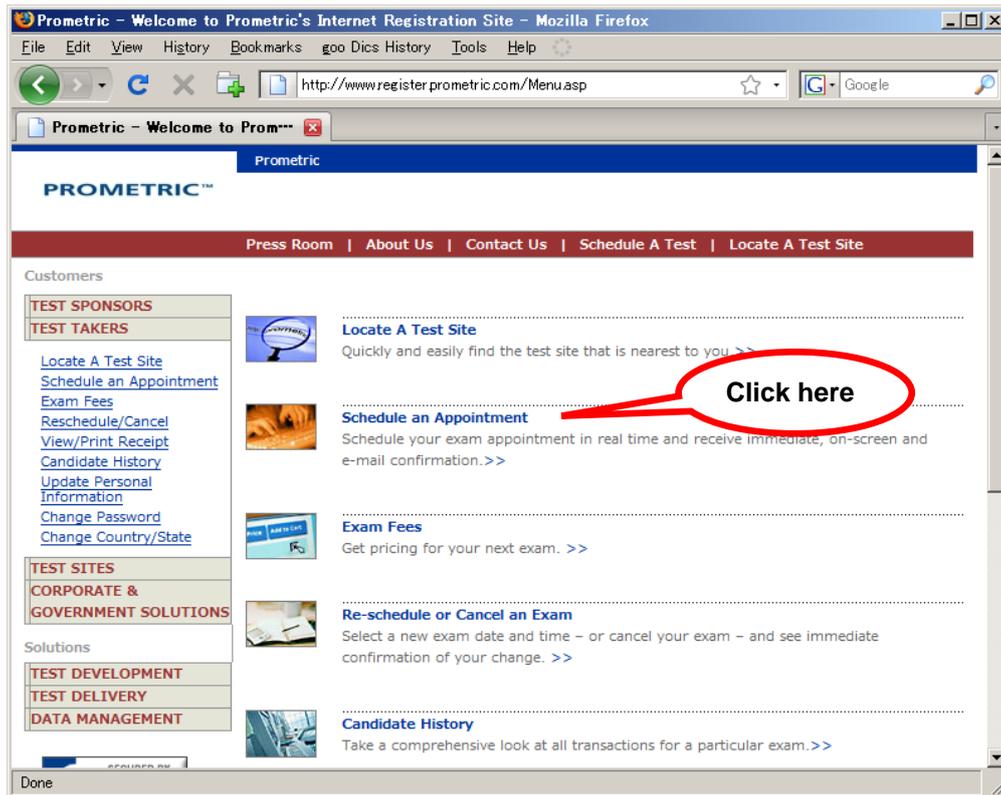

1. Navigate to the Prometric Web site (<http://www.prometric.com/XML/default.htm>).

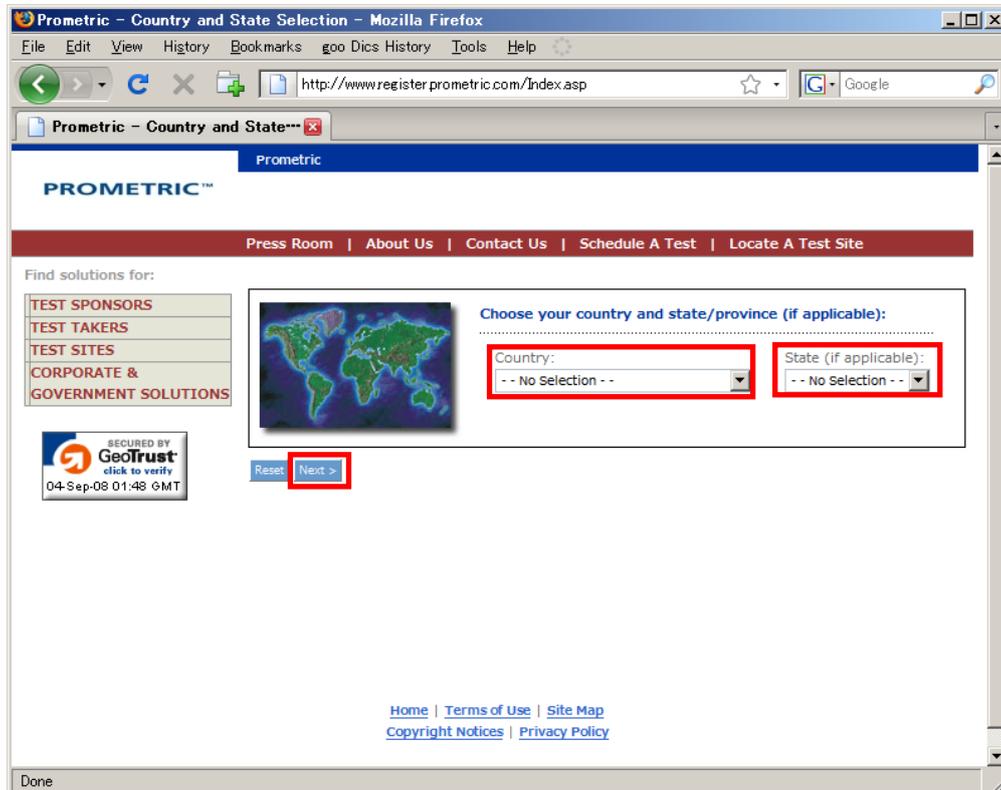

2. Click on "Schedule, Reschedule, Cancel or Confirm an Exam" located on the center-left section of the screen.

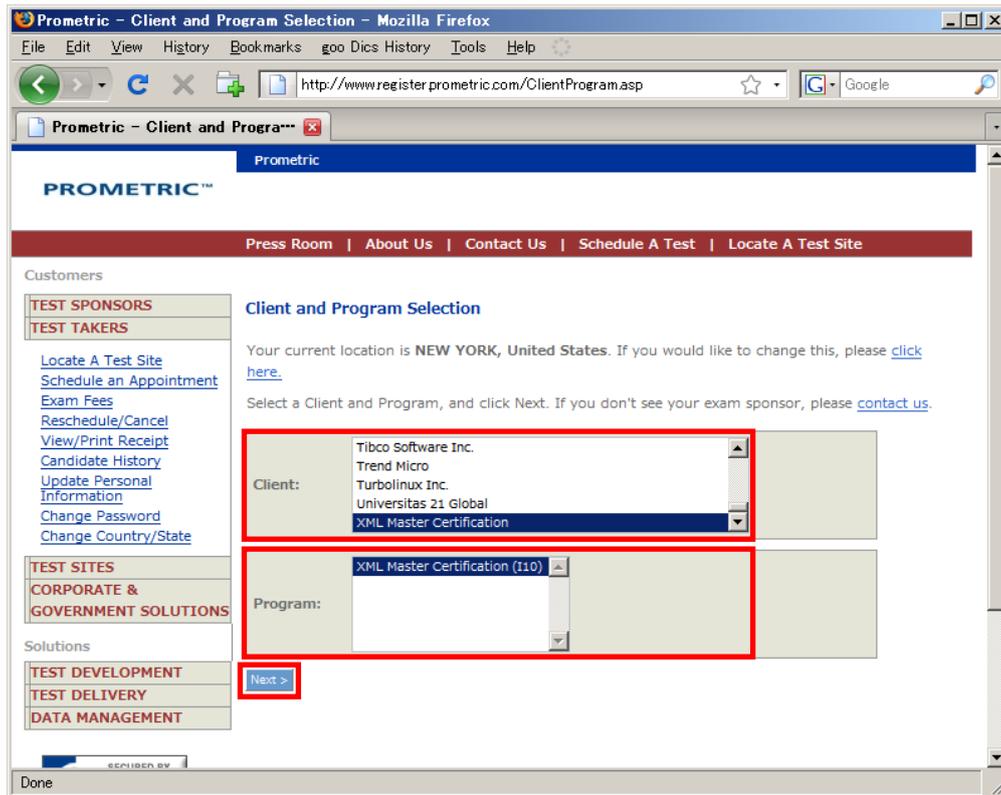

3. Click "Schedule an Appointment."

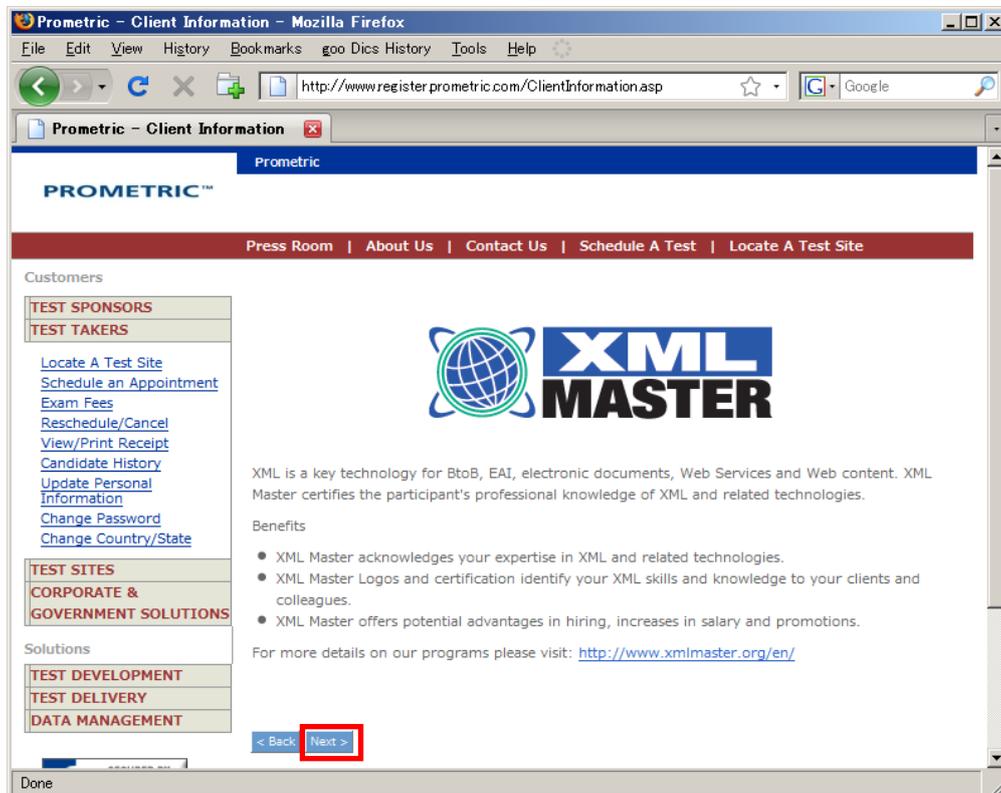

4. Select your home Country and State (or Country and State where you intend to take the exam), and then click the "Next >" button.

5. On the “Client and Program Selection” screen, select “XML Master Certification” as the “Client” and “Program,” and then click the “Next >” button.

6. A general description of the “XML Master Certification” will be displayed. Read the description, and then click the “Next >” button.

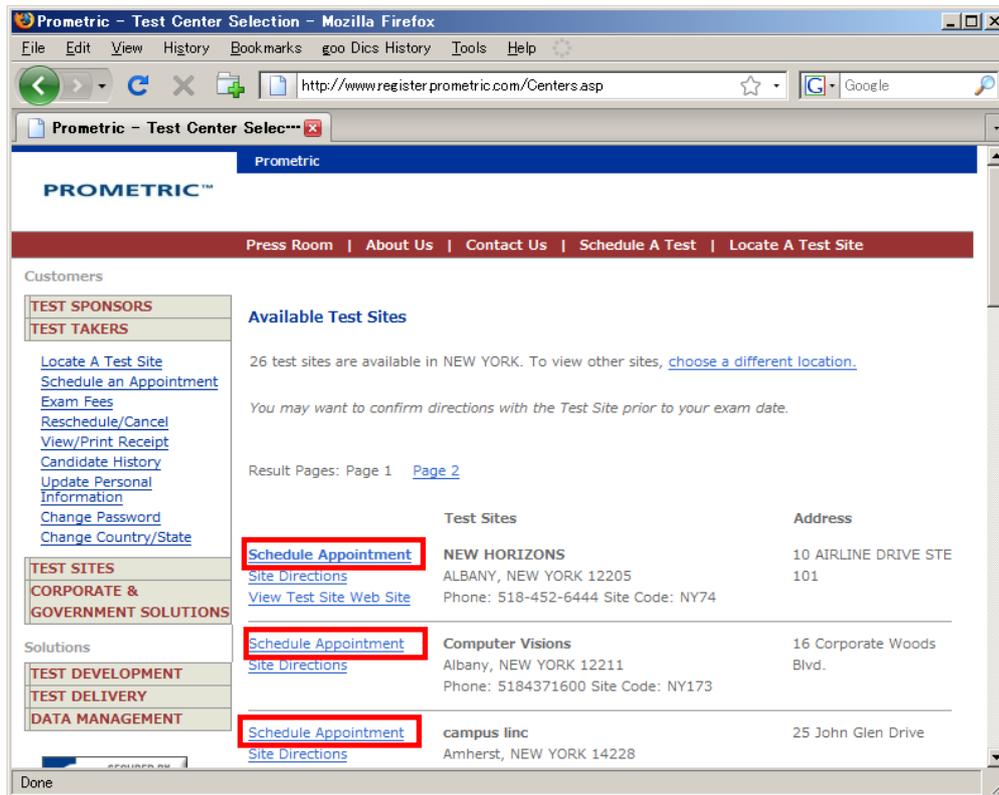

7. On the “Exam Selection” screen, select the exam you wish to take, and then click the “Next >” button.

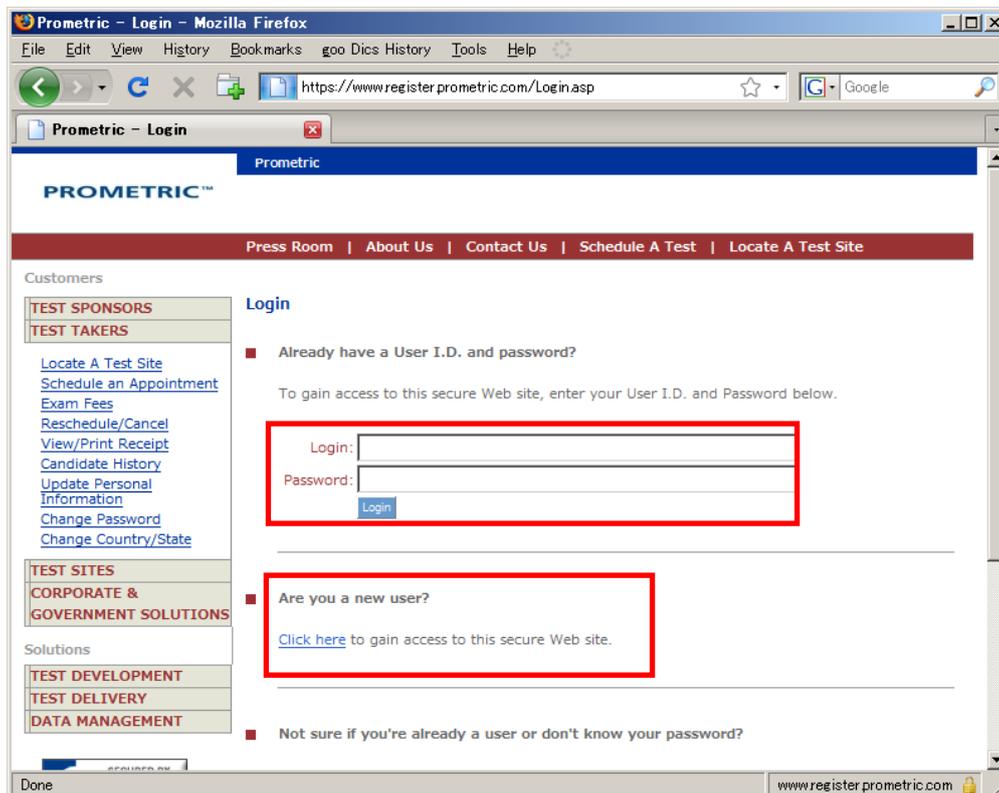

The screenshot shows the Prometric Exam Selection page in a Mozilla Firefox browser. The browser's address bar displays the URL <http://www.register.prometric.com/Exam.asp>. The page features a navigation bar with links for Press Room, About Us, Contact Us, Schedule A Test, and Locate A Test Site. A sidebar on the left contains sections for Customers, TEST SPONSORS, TEST TAKERS, TEST SITES, CORPORATE & GOVERNMENT SOLUTIONS, and Solutions. The main content area is titled "Exam Selection" and includes instructions: "Select the Exam and Language to view pricing information. If you would like to register for this exam, click Next." A dropdown menu for "Exam:" is open, showing options: "110-001 - XML Master Basic V2", "110-002 - XML Master: Professional V2", and "110-003 - XML Master Professional Database Administrator". Below the exam dropdown are dropdowns for "Language:" (set to "U.S. ENGLISH") and "Currencies:" (set to "USD"). The "Net Price:" is displayed as "125.00 USD". A note states: "Net price does not include applicable taxes, vouchers, promotions or membership discounts you may have." At the bottom of the form, there are "< Back" and "Next >" buttons, with the "Next >" button highlighted by a red box.

6. The screen will display a list of testing centers in your area. Click “Schedule Appointment” to the left of the testing center where you wish to sit for the exam.

(Depending on your country, you may see a Prometric Site login screen, rather than a list of testing centers.)

7. Use your Prometric Site User ID and Password to log in. If you don't have a Prometric Site User ID and Password, click the link under “Are you a new user?” to register.

After you log in, please follow the directions in the screens to apply to take your exam.

Please see <http://www.prometric.com/XML/default.htm> ("Questions?") or <http://www.prometric.com/ContactUs/default.htm> if you have any questions or concerns about applying to take the exam.
